It is possible to self-park closer to Belle Isle and walk across the MacArthur bridge. If walking or riding a bike across the bridge, follow Sunset Drive to the right and stay on as it curves around to the south side

of the island. The Sponsor Expo (our main event space) is located at the Athletic Complex/Event Space 3 at Strand Drive and Vista Avenue. There is no charge to walk or ride a bike onto the island.

So why shuttle? There is very limited parking on Belle Isle. Under state law, once parking reaches a certain capacity, the park must close its gates until cars exit the island. There are other events on the island Sunday – imagine the impact if the gates had to close before all our participants were shuttled over. Please utilize Wayne State University parking and ride the shuttle.

The Detroit Race for the Cure is a 5K Run or Walk. All runners will receive chip-timed bibs, which can be picked up at the Bib tent near Registration. Refer to map below for tent locations.
